

CREAM CHEESE CAKE

- 100 grs butter, melted
- 100 grs cream cheese
- 150 grs sugar
- 3 eggs
- 1 tsp baking powder
- 200 grs flour
- butter to grease
- baking tin

Blend butter and cream. Add sugar and mix. Add eggs one at a time and continue mixing. Then pour in baking powder already mixed into flour and beat until fully blent.

Butter tin, sprinkle some flour to prevent sticking and bake to 180°C. for 30 mins.

Optional: Sprinkle cinnamon powder.
